

2019-2020 HARRINGTON PARK GOALS

District Goals

Student Achievement – To expand and enhance the SDGP platform

Strategies:

- To merge professional growth days with other districts. Staff can rotate and share experiences. Hands-on data to be shared
- Work together with other districts to develop better SDGPs. This will benefit both districts
- Increase number of participating districts and support through growth

Student Achievement – To reform and revise the Math Curriculum

Strategies:

- To redo the math curriculum over the next 24 months

Student Achievement – To expand the Pre-school program for the 2020 School Year

Board Goals

General – To establish procedures for informing the administration and other board members of issues that are brought to their attention. Communication between all parties is essential.

Strategies:

- To reassess the procedures periodically to see if they are working well and make any necessary changes
