

HARRINGTON PARK SCHOOL DISTRICT

March 18, 2020

Good Afternoon HP Family Members,

I know this is a challenging time for all of us and I want you to know how amazing everyone is doing on the digital platform. Now more than ever, sharing information, experiences, and success is our best tool to connect with each other and overcome this great challenge.

One additional way for everyone to connect is through Flipgrid. Flipgrid is a social learning platform that allows educators to ask a question, then the students respond in a video. Students are then able to respond to one another, creating a “web” of discussion. Please see the below link to the HP Spartans Flipgrid for you to share great things and shoutouts to other Spartans. Join us in helping to make everyone feel connected to each other during this time away from the District. Please click on the link below to join us. You can also use the QR code provided.
